Do you have a T-bird mindset?

- Passionate about leadership management
- Intrigued by innovation and entrepreneurship
- Driven to solve complex challenges
- Committed to sustainable practices
- Curious about cultures and languages
- Motivated by travel and exploring the world

Program format

MALM curriculum is delivered 100% online, with the opportunity to add in-person experiences during field seminars abroad or during a capstone week at the end of the program. Degree duration is 12-24 months.

Curriculum

- Global Accounting; Managing with numbers
- Financial value creation for leaders
- Managing the global and regional business environment
- Strategy in a competitive world
- Global marketing strategy and management
- Leading digital and data decision making
- Communicating and negotiating in a dynamic world
- Applied learning 1
- Applied learning 2
- Global leadership and personal development (Capstone)

The program is very well built, so it's easy to follow the classes, and the communication with the professors is great when you have a question. We are building relationships with people from all over the world."

– **Marta Ochoa '22**

Master of Applied Leadership & Management
Ecuador
