

# English Requirement for Graduate Students

## Improve your English for Admission

Global Launch at Arizona State University (ASU) offers two online English preparation programs for international students who are seeking graduate admission to ASU and need proof of English proficiency. Students are welcome to choose either program after meeting the minimum exam score requirement listed in the chart:

### English for Graduate Admissions & Achievement EGAA(Online)

8-week course | Offered 5 times per year | Asynchronous class; For self-directed applicants who want a flexible study schedule

### English Language Program - ELP (Online & In person)

8-week course | Offered 5 times per year | Synchronous class; For students who prefer structured classes and live lectures to help with pronunciation.

## Why Global Launch?

Global Launch's English for Admission courses are designed to both improve your English and prepare you for Arizona State University's rigorous and demanding coursework. Through virtual interviews, live lectures and regular feedback from your instructors, you will gain the confidence to communicate in English and perform better at the university.
