

Global Mindset for Developing Leaders

This two-day workshop will offer a deep understanding of the leadership requirements for leveraging digital transformation in achieving global success. It will explain the concept of Global Mindset and its relevance to managers and organizations, especially those engaged in major digital transformation strategies. Participants will complete Thunderbird's brand new scientifically designed Global Digital Mindset Inventory (GDMI).

\$1,500 | 2 days | in person

Program benefits

- Learn to lead and manage teams from different cultures and backgrounds with confidence.
