Advice from current Thunderbird graduate students on renting:

1. It took some time to find, but luckily, I had a roommate that found it!
2. Had to start searching for housing very early and had to begin renting in July to secure residence.
3. I needed a guarantor, and it is not easy for everyone to find one (from an international student).
4. I needed to make a deposit before securing my off-campus housing.
5. I found my housing through Facebook pages and WhatsApp groups.
6. It was hard knowing how accessible complexes were in comparison to campus. It was very difficult navigating finding housing without being in Phoenix. I did not know all my options.
7. In some apartment locations, you do not have to have roommates to get the multiroom apartments where the rent is less expensive. The apartment can pair you up with other students.
8. Apply as soon as possible as places fill up very quickly!
9. Try to meet your roommates before planning to live with them.
10. Rent is higher in downtown Phoenix, but the benefit is that you can walk to class!
11. The Phoenix and Arizona market is crazy expensive right now!
12. If you live in Tempe, you can take the light rail (with a student pass) to downtown Phoenix, or the ASU campus shuttle (for free).
13. Make sure to ask what is included in your monthly rental fees.
14. Be sure to find out if the apartment is furnished or unfurnished, and then determine what is needed.
15. Factor in the cost of renter’s insurance (if you want to purchase it).
16. Let domestic students know they should look into government assistance that they qualify for as graduate students.
17. Taking the ASU (free) shuttle from the ASU Tempe campus to ASU’s Downtown Phoenix campus takes 20-30 minutes each way.
General tips and advice for renters

Look out for red flags
- Links to free credit reports by landlord.
- Filling out an application before seeing a unit or meeting the landlord.
- Paying money or a wire request before seeing the unit or meeting the landlord.
- Prices that look too good to be true. Ask questions and check out rental rates in the area.
- If corresponding via email, be sure to contact the landlord in person or via a phone call directly.
- Sub-leasing, be sure to verify the information directly with the landlord or apartment complex.

Roommate matching
Many off-campus living communities offer roommate matching services very similar to what you would find on-campus. It is important to ask any place of interest if they offer this service. Your Thunderbird class Facebook page is a great way to connect with other students to find a roommate or learn where other students plan on living. If you want an apartment to yourself, let the leasing office know right away.

Note for international students
In the United States, apartment complexes require proof of income from a local employer. For many international students, this is not possible, so students are asked to provide a co-signor or guarantor who is a permanent resident or citizen of the United States. If students are unable to provide a guarantor, a sublease could be the answer or renting a room. We recommend that you check out the ASU Housing Sublets & Roommates Facebook page for sublease and rental options.

Furniture resources
There are several places to rent furniture for short-term use or buy used furniture. Many apartments offer furniture in their rentals. It is important to ask if furniture is available in a rental or not. For international or out-of-state students, having an apartment that offers furniture is helpful. You can also check out the following:
- Salvation Army
- Gracie’s Thrift
- IKEA
- Habitat for Humanity ReStore
- Maggie’s Thrift

Transportation resources

Several public transportation options are available to ASU students, faculty and staff across all four ASU campuses. Sun Devils may purchase discounted transit passes to ride Valley Metro buses and light rail.

Maintaining a healthy and secure campus community for students, staff, and faculty means knowing what to do in the event of an emergency and having the right tools to respond. In order to achieve this, the university offers education and multiple resources to ensure that all members of the university are safe and secure.

Please note that the student-run Safety Escort Service on this app is only available on the ASU Tempe campus.
