Global Leadership for the Fourth Industrial Revolution

Technology is changing the way we live and work. To succeed in this new paradigm, where machine learning and artificial intelligence are driving all industries’ practices to a level never before imagined, a revitalized brand of leadership is essential. In a world of technological transformation, Thunderbird is developing nimble, ethical leaders who create sustainable prosperity worldwide.

GLOBAL MANAGEMENT, EVOLVED

Thunderbird’s specialized Master of Global Management is the vanguard degree for the Fourth Industrial Revolution. In this program, you will study practical core courses in global management, international political economy and cross-cultural engagement. Then, you’ll broaden your mindset and marketability by pairing your deep-dive leadership training with an innovative concentration area, foreign language options, and hands-on experience through our Global Challenge Lab.
