16 AREAS OF CONCENTRATION

16 AREAS OF CONCENTRATION

50% of T-birds are international

All range from Young Professionals to Experienced Professionals

50% of T-birds are women

31% of T-birds work outside of their home country

Thunderbird graduates have a unique mix of skills, some mastered in the classroom and through applied learning in the field, and others that are innate. T-birds hold leadership roles all over the world, carrying with them international business savvy and a global mindset. Comfortable with ambiguity and uncertainty, they are both accomplished and high potential professionals with a well-rounded foundation in global finance, economics, and accounting. T-birds thrive across sectors, in business, government, and nonprofits. Global organizations that hire Thunderbird graduates come back for more because the only thing better than having a T-bird on board is having more than one.
